Spay & Neuter Agreement

The following agreement is between Snooty Giggles Dog Rescue hereafter referred to as "SGDR", and _____, hereafter referred to as "Adopter".

Adopter agrees to neuter/spay within thirty days (30) of puppy's 6 month birthday deemed to be _____. Adopter agrees to supply SGDR with a veterinarian's sterilization certificate by mail as proof of the neuter/spay. This is the responsibility of the Adopter, not the veterinarian, to ensure that SGDR has received the verification that the surgery has been performed. If Adopter fails to neuter/spay this puppy or does not provide proof to SGDR within fourteen (14) days after surgery, then agreement will be considered breach of the Contract, and Adopter will transport dog back to SGDR and will not be entitled to a refund.

In the event that the dog's health does not allow this agreement to be honored, SGDR must be provided a statement from your veterinarian that this dog is not yet in physical and/or emotional condition for surgery. Based upon the veterinarians evaluation of said dog, a date shall be established when the surgery can be performed.

Once the spay/neuter is complete and the veterinarian certificate has been received by SGDR, a reimbursement of \$50.00 will be issued to the Adopter.
